1. UVOD

Anketiranje dolaznih studenata unutar Erasmus+ programa međunarodne mobilnosti provedeno je dva puta, pri čemu je prva anketa (iz 2020. godine) obuhvatila sve dolazne studente koji su posjetili Pravni fakultet Osijek od pristupanja programu pa do akademske godine 2018./2019.; a druga (iz 2021. godine) poslana je studentima koji su u programu sudjelovali nakon tog vremena te koji su prema rasporedu trebali ostvariti ili barem započeti mobilnost u vrijeme anketiranja. Izvorna anketa je izrađena u suradnji Erasmus+ koordinatora, Povjerenstva za kvalitetu te Ureda za kvalitetu te je prilagođena pandemijskoj situaciji od strane Ureda za kvalitetu, koji i provodi anketiranje.

Analogno drugoj provodi se i ova treća anketa studenata u dolaznoj mobilnosti. Nevelik broj dolaznih međunarodnih mobilnosti znači i maleni anketni uzorak, no prikupljeni podaci svakako donose određenu vrijednost i povratne informacije.

Odgovori i komentari ispitanika ostavljeni su u izvornom obliku.

2. OPĆI PODACI ISPITANIKA

Od pet unosa u ovogodišnjoj anketi tri su ispitanika došla iz Portugala, dva iz Španjolske, dok se jedan nije izjasnio. Svim anketiranim studentima međunarodna mobilnost na Pravnom fakultetu Osijek bilo je prvo sudjelovanje u Erasmus+ programu, ali i prva međunarodna mobilnost općenito (nisu koristili druge programe).

Mobilnost svih ispitanika je trajala jedan semestar, a jedan od njih mobilnost je ostvario on-line.

Kao razloge za sudjelovanje u programu (**A4. What encouraged you to join an international student mobility program (Erasmus+ or any other)? Please give us your reasons for applying.**) ispitanici su naveli sljedeće:

- I want to do something different
- Getting out of my confort zone and be able to know different ways of living throughout Europe. Also be able to develop my English and apply it in my subjects

4. BROJČANE OCJENE

Pitanja na koja su ispitanici davali brojčane ocjene obrađena su na način da su odgovori projicirani na grafove Likertove skale, s ocjenama 1 i 2 kao negativnima (s vrijednostima od -2 boda za ocjenu 1 odnosno -1 bod za ocjenu 2), ocjenom 3 kao neutralnom te ocjenama 4 i 5 kao pozitivnima (s vrijednostima od 2 boda za ocjenu 5 i 1 bod za ocjenu 4). Najmanje i najveće moguće vrijednosti ocjena su dakle -10 za pet zabilježenih ocjena 1, odnosno 10 za pet zabilježenih ocjena 5.

U grafovima su zabilježeni odgovori prikazani u negativnom ili pozitivnom dijelu skale, i to označeni nijansama narančaste za negativne odnosno nijansama zelene za pozitivne ocjene. Neutralne ocjene (3) nisu prikazane na grafovima jer ne utječu na konačni balans pozitivnih i negativnih iskustava, kao što ne bi bile prikazane niti ocjene 0 da su bile zabilježene u ovom istaživanju.

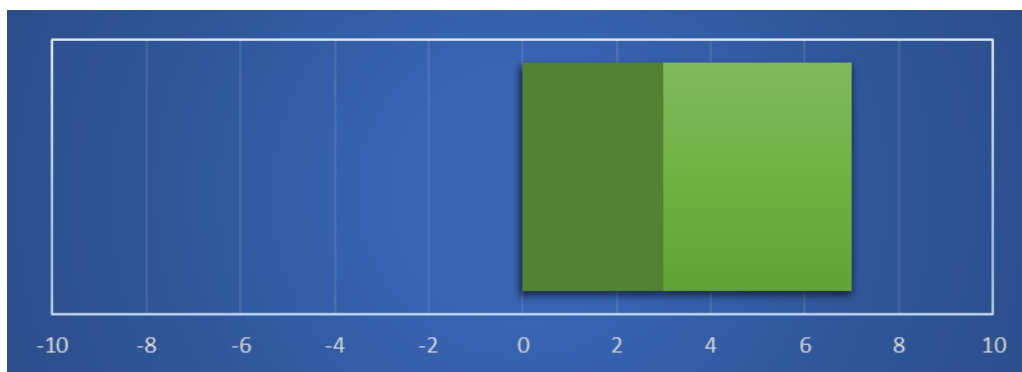

B10. Please, rate the following claims according to the following scale: 0 – I don't have an opinion; 1 - I don't agree at all (lowest mark); 5 - I agree completely (highest mark).

[Studying at the Faculty of Law Osijek improved my knowledge and professional competences]

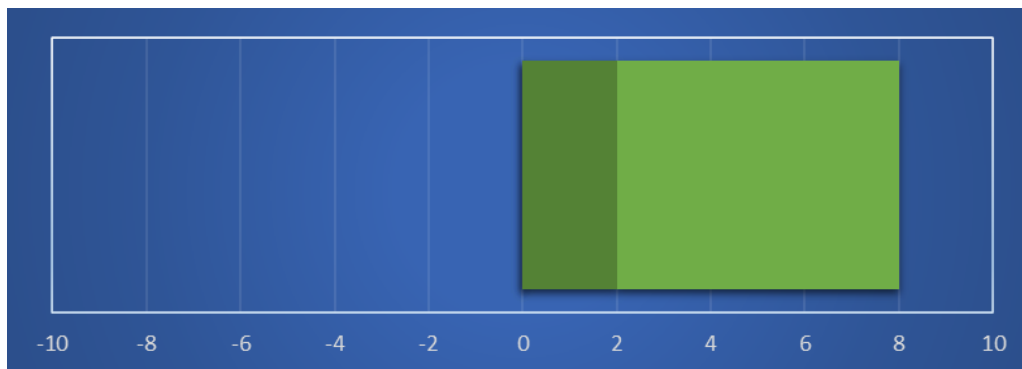

Odgovor na ovo pitanje je blago pozitivan te ukazuje na to da ispitanici međunarodnu mobilnost ostvarenu na Pravnom fakultetu Osijek smatraju umjereno korisnom za unaprjeđivanje vlastitog znanja i profesionalnih kompetencija.

[Faculty of Law Osijek is perceived as a respectable academic institution]

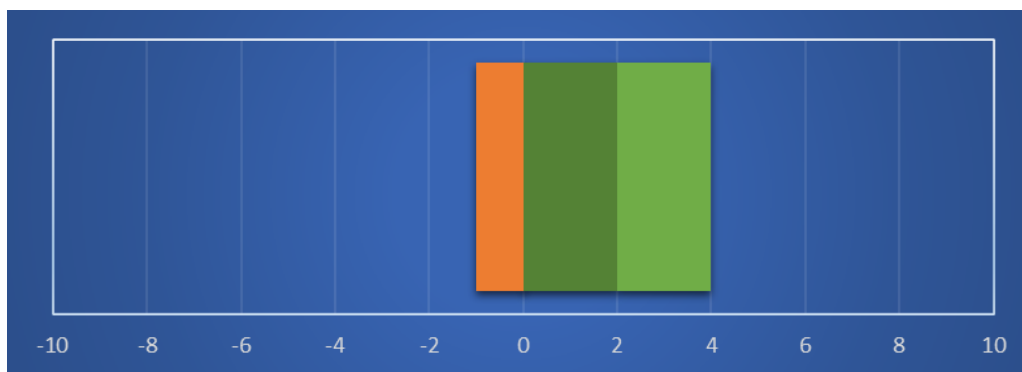

Stečeni utisak o pozitivnoj percepciji Fakulteta kao respektabilne akademske institucije je prema prikupljenim odgovorima pozitivan (tri ocjene 4, 2 ocjene 5). Preporuka Ureda je izraditi određene materijale koji bi dolaznim studentima prezentirali Fakultet te njegove uspjehe i tradiciju kako bi stekli i zadržali bolju percepciju Pravnog fakulteta Osijek.

I'm satisfied with the Erasmus+ coordinator at the Faculty of Law Osijek.

Rad fakultetskog Erasmus+ koordinatora nije zabilježio negativne ocjene, te su pristupnici ukupno vrlo zadovoljni podrškom i suradnjom koordinatora.

[I'm satisfied with the accommodations and hospitality in general during my stay in Osijek]

Smještaj i općenito gostoprimstvo doživljeno u Osijeku se ove godine čine najslabije doživljenom stavkom po mišljenju ispitanika, a što je vidljivo i kroz komentare.

5. ON-LINE NASTAVA I COVID-19

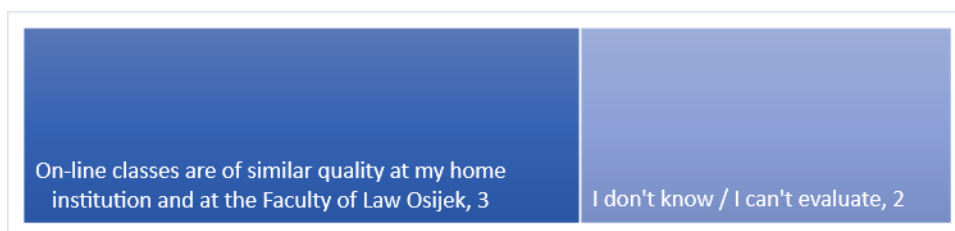

Kako se Fakultet zajedno sa studentima tijekom izvanredne situacije prinudnog rada na daljinu našao u novom okruženju provođenja nastave putem različitih on-line servisa cilj je pitanja prikazanih u ovom poglavlju saznati dojmove stranih studenata i spoznati njihova iskustva s on-line nastavom i epidemiološkim mjerama doživljenima tijekom boravka na Pravnom fakultetu Osijek. Na ova su pitanja mogla odgovoriti samo dva ispitanika koji su mobilnost ostvarivala tijekom ove akademske godine.

Please provide a short explanation.

- The covid had no implication.
- No
- a little, but not it dont influence on me

C2. According to your own experiences, how would you compare on-line teaching practices between the Faculty of Law Osijek and your home university/faculty?

C4. According to your own experiences, how would you compare other on-line interactions (not directly related to holding on-line classes, i.e. consultations, technical and other help, etc.) with assistants and professors at the Faculty of Law Osijek and at your home university/faculty?

C5. Please rate your experience with technical and administrative services (helpfulness, politeness, availability, adjustment to COVID-19 epidemic) at the Faculty of Law Osijek.

6. OPĆENITI KOMENTARI ISPITANIKA

Mogućnost unosa dodatnog i općenitog komentara, odnosno komentara slobodne tematike, iskoristio je jedan ispitanik.

D1. Would you like to distinguish or comment on anything else regarding your stay at our faculty or in Osijek in general? Please write down your suggestions or comments. Thank you! :)

- I hab problems with my accomodation, it was not clean and with bugs (cockroaches and mouse) and some of my roommates had problems with the landlord. I think there should be a better guidance to Erasmus students when choosing the accomodation, most of us have to find before coming and we arrive here the apartment can be different from what we were expecting.
- You must go to osijek, it will steal your heart, but from november to february, you have to wear a thick coat, scarf and gloves!
- It was a good and pleasurable challenge studying in this faculty and living in Osijek!
